We had a great opportunity to preach the Word of God last night, during our Gospel and Thanksgiving prayer meeting. We spoke about the importance of constant worship, overcoming hurdles, walking in holiness, and remaining thankful for everything God has provided to us. Many people from nearby congregations and local preachers joined us to receive the blessing of His Word. Please Pray for everyone who attended in your prayers. Amen

We gathered with the Kakani congregation for a wonderful Thanksgiving Prayer Meeting organized by Brother Madhu. During the meeting, I shared a message on how we can live a life that pleases Him. I preached that we must begin by honouring our Creator and seeking spiritual maturity by following the example of Christ. I encouraged everyone to guard their hearts against the distractions of the world and to walk in obedience and responsibility in everything we do.

One of our sisters, Subhashini, from the Ramanjaneyapuram congregation, has been blessed with a baby girl. The birth happened very suddenly at her home; she went into severe labor, and the baby was born before the ambulance arrived or anyone could get inside to help. We thank God for their safety. Please pray for this family and their new daughter. Amen

We gathered today to honor the life of our sister, Koteswaramma, from the Chennupalli congregation. Through the preaching, we were reminded that our time on this earth is not permanent. Her passing at 93 years old serves as a solemn reminder that we all must eventually finish our earthly journey, just as she has now entered into the eternal peace of the Lord.

We have attended a nearby congregation to Vinukonda established recently and trying to preach the word in this area and we encouraged the people and this community is trying to build a place to worship.

We have conducted the first memorial service in Ramanjaneyapuram congregation for our beloved Brother Koteswararao, who passed away at the age of 50 due to kidney failure. We have preached about The Good Shepherd from John 10:11–18 that Jesus never leaves us. He will protect and guide our family. His son, Brother Rajesh who is only 25 years old with two kids, is now the only earning member and the head of the family. Even in his deep sorrow, he has taken the responsibility to organize this service for his father today. Please Pray for him and his family
