Both mother and baby are doing well and are healthy. We thank you all for your continuous prayers. Amen

We have started our journey to share the Word of God in far-off and remote areas. Just as the disciples went to the ends of the earth, we have stepped out into the wilderness to reach those who are living in spiritual darkness.

Our work began with Street Evangelism, talking to people in public places and door to door preaching the word in Nallamala forest tribal people. These people mostly Shepards the rely on forest and crops they can get and live their livelihood.

There is so much more to share about how the Lord is working through us and your generous help. Please visit our new website to see the full report and learn more about all we are doing for the Glory of God.
