We had an opportunity to preach the Word of God at the gospel meeting in Vengalreddy nagar nearby ICS. I have preached how Ezra and Nehemiah lead us to Christ as the Church. We learned how Ezra rebuilt the broken altar and Temple, and how Nehemiah rebuilt the broken walls of Jerusalem.

All of this Old Testament history beautifully points to Jesus Christ, who is our main Cornerstone, and to the Church, which is His living family built together today. Ezra 3:1-3, Nehemiah 2:17, Ephesians 2:19-22.

I want to say a big thanks to everyone who kept this meeting in your valuable prayers. Please pray for the souls who heard the message.

We are very happy to share that the wedding of our sister Bontha Premarsha with Pavan has been solemnized by the grace of God.

During the ceremony, we studied the Word of God from Genesis 2:18-24. We learned how God created a partner for Adam and how a man and wife become one flesh through His blessing.

Please Pray for newly married couple Premarsha and Pavan in the new journey.

A few preachers gathered at ICS for a Bible study. During the discussion, we talked about many topics, including the sermons we heard, musical instruments, idols, and the work of ICS.

In Veluru we were invited to Pray for one of the Christian songs singer and one of our fathers friend who serves in the lords works asked to come and pray for his family and in his hardships.

I am deeply saddened to announce the sudden passing of my cousin and best friend, Joshi due to a heart stroke, He is just 33 years old. Joshi was a devoted Christian who worked faithfully for the church and a brother to me, He leaves behind two children who need our love and support. Please pray for his family.

We gathered in the memorial service of our friend Brother Joseph, who was suddenly died at the young age of 33 due to a heart stroke. We have preached about his sudden departure is a sobering reminder that death does not look at the calendar, nor does it know the age.

The life of a human being is just like a bubble on the water. It arises suddenly, looks beautiful for a second, and then bursts and disappears completely. The Holy Bible reminds us of this fragile reality in James 4:14: Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appear for a little time and then vanish away.

We do not think that still we had time we should be read for God who holds our days. As Psalm 39:4 says Lord remind me of how brief my time on earth will be. Remind me that my days are numbered. We do not know what tomorrow brings, let us not take our lives for granted, but live righteously and serve the Lord every day. Please Pray for the family of Joseph.

We were invited to a denominational prayer meeting and had the chance to preach the Truth to many people. We shared a sermon on how to lead a family in the path of Jesus, explaining that leading one's household is a commandment from God (Joshua 24:15).

We encouraged everyone to take a step of faith even during deep hurdles. Just as the men brought the paralyzed man to Jesus by pushing through the crowd and the roof (Mark 2:3-5), we must strive to walk in the light (1 John 1:7) and bring our families to Him. Please pray for the families who attended in the meeting.

We had the chance to participate and pray for her in thanksgiving prayer for our grandmother, Victoriya. After recovering from her cancer treatment, she arranged a thanksgiving prayer on her 66th birthday, where our family members and the local congregation united to show our gratitude to the Lord for giving her good health. Please pray for her continued health.

We have attended a nearby congregation to Vinukonda established recently and trying to preach the word in this area and we encouraged the people and this community is trying to build a place to worship. One of our sisters asked to pray for the halted building construction work and daughters marriage.

We had an opportunity to preach in Issappalem denominational congregation regarding the Thanksgiving prayers meeting of the Brother Rathna Kumar's 36th wedding day.

We shared a sermon that just as God has a divine pattern for the home, He has a divine pattern for His church. We encouraged the congregation to speak as the oracles of God (1 Peter 4:11) and to seek that church which is the pillar and ground of the truth (1 Timothy 3:15) the church named only for its leader, Jesus Christ. Please pray for this congregation and the family.

We have attended a thanksgiving prayer for our dear cousin from Makkenavaripalem as she prepares to become a beautiful bride. We preached that marriage is a beautiful gift from God. As she starts this new journey, we pray that God blesses her and her future husband. Joshua 24:15 As for me and my house, we will serve the Lord. Please pray for her as God bless this new couple to form a good family

One of our uncle from Veluru village invited us to pray for the new hose roof work and asked to pray for the new house they are going to build. This is our ancestral place where our forefathers came from.

We are so happy that we could participate and pray for Madhu Shalini at a special prayer meeting organized by her grandmother. Madhu Shalini is our dear ICS girl, and we are filled with joy to see how wonderfully the Lord has blessed her and helped her grow.

3 John 1:4 I have no greater joy than to hear that my children are walking in the truth.

We joined the family to preach the word and thank God for His faithfulness. Please pray for her good health.

We attended a very prayer meeting in Kamepalli village and we are so happy to share God's Word with the families there. We talked about how important it is to prepare our homes so that our whole family can stand together and help in the local church works Joshua 24:15 And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve, whether the gods which your fathers served that were on the other side of the river, or the gods of the Amorites in whose land ye dwell. But as for me and my house, we will serve the LORD.

I also spoke lovingly to the youth, advising them not to take sudden or hasty decisions in life without praying first Proverbs 3:5-6.

We had an opportunity to attend and preach at the memorial service of Brother Moses. He was our relative, a very close friend of my father and a fellow preacher who worked together with my father in God's ministry. His son organized a blessed service and invited all the family members and preachers.

We shared God's word about how our elders and ancestors faithfully preached the Word of God to so many people.

2 Timothy 2:2: And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.

In the same way, we also need to continue the Lord's work and carry forward this spiritual legacy.

We had the blessed privilege of solemnizing the holy matrimony of our sister Spandana and Venkatesh from Uppalapadu village.

More than just a ceremony, it was a time of deep spiritual grounding. God's Word was faithfully preached and the young couple was biblically exhorted to build their home on the firm foundation of Christ, walking in mutual love, respect and prayer.

Please Pray for a blessed and fruitful married life for the newly wedded couple.

We have added two tiny members to our congregation as Brother Suresh from Ramanjaneyapuram and Brother Praveen from Dechavaram congregations were blessed with baby girls. Please pray for these two girls and their families.

We have organised Gospel Meetings and invited several guest preachers who deeply encouraged the congregation with powerful sermons day and night. I had the privilege of sharing a message on "Giving Thanks by Giving Ourselves to God" challenging us all to offer our lives entirely to Him.

Romans 12:11 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.

Galatians 2:20 I am crucified with Christ, nevertheless I live; yet not I, but Christ liveth in me. And the life which I now live in the flesh, I live by the faith of the Son of God, who loved me and gave Himself for me.

We are so grateful to everyone who laboured with us to organize this meeting. Please pray for the congregation and families attended the meetings.

We ask for your prayers for a family that has walked through a long season of affliction. recently I was asked by a local preacher to visit and pray for a brother who has been bedridden with paralysis for 19 years.

He cannot move his hands, and he breathes only with the aid of an oxygen concentrator attached directly to his neck. Yet, in the midst of this trial, his faith and spirit remain unbroken. He even joked with us, saying that if his wife ever wanted to, she could just remove his breathing pipe for three minutes and he would be no more since 19 years. recently he was able to move his fingers.

In this journey, God's grace has traveled to unexpected places. A nurse, formerly of the Muslim faith, began caring for him. Through witnessing his faith and hearing of the miraculous works of Jesus, her heart was moved. She has since embraced Christ as her Savior. She is currently navigating life after a divorce and is seeking school admission for her child at ICS.

We have organised a housewarming function for my brother-in-law in Mangalagiri town to thank God for gifting them a new home. They are still waiting and preparing to fully accept Christ into their lives.

we shared a message about the temporary house that God had provided them on this earth for now, but He has also prepared a permanent house for our families in heaven forever John 14:2. We encouraged them to walk with God to receive that permanent home and to stand strong so that no one can steal their Crown of Life.

Revelation 3:11: Behold, I come quickly; hold fast that which thou hast, that no man take thy crown.

Please pray for Brother Shekar and Sister Sandhya to lead a holy life.

We had a thanksgiving prayer meeting at our home to thank God for blessing our daughter-in-laws Riyanshi and Shalviya our sisters daughter with a new year in their lives.

During prayer we shared a small sermon from the Bible about God's provisions. We learned that we must completely submit ourselves to Him by listening to His word, doing His work, and walking in His light

1 John 1:7 But if we walk in the light, as He is in the light, we have fellowship one with another, and the blood of Jesus Christ His Son cleanseth us from all sin.

Please pray for these two kids to grow in wisdom

We have a memorial service in Mamillapalli congregation Sister Yamelamma who is a devoted Christian died in Christ recently. we had a chance to pray and preached a sermon in the meeting that we have to be happy knowing that they are now resting where there is no more pain, crying they are now safe in the care of God.

Revelation 21:4: And God shall wipe away all tears from their eyes, and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain; for the former things are passed away.

Please pray for the family who lost their mother.

We had a thanks giving prayer on the occasion of birthday of one our sisters child Risha and got chance to preach the word of God that Psalms 128:3 Children are a heritage of the LORD, and the fruit of the womb is His reward. 4.As arrows are in the hand of a mighty man, so are the children of the youth.

Children are like arrows placed in our hands by God. As parents and elders, it is our duty to shape them through His Word and prayer, equipping them with the faith and spiritual strength they need to stand firm against the enemy's traps. Please pray for her.

We had a chance to preach in Gospel meeting at Rupenaguntla village. Many preachers from different denominations also shared messages during the meeting. We were encouraged by few local families who invited us to preach the Gospel in their village.

I preached about the importance of being prepared for the second coming of Christ, using Matthew 25:1-2 Then the kingdom of heaven shall be likened to ten virgins who took their lamps and went out to meet the bridegroom. Now five of them were wise, and five were foolish.

I shared that even when our faith wavers or we feel weak, we need turn towards the Christ, He is faithful to restore us. He completely renews our strength, as it is promised in Isaiah 40:31: But those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint. Please pray for this congregation and the family invited us to the meeting.

We went to Brother Philip's memorial service in Narasaraopet. God gave us a blessed chance to speak a few words of comfort from the Bible. We shared that for those who pass away in Christ, there is no fear of judgment or punishment, because Jesus has already won the victory over death.

Please Pray for family in this difficult time.

We attended a memorial service in a nearby village near Narasaraopet for one of our mother's old friends, who passed away due to illness. We paid our last respects and prayed for the grieving family. Please pray for the family members who have lost their loved one.

We organized a blessed thanksgiving prayer service Ramanjaneyapuram congregation. They had so many wonderful reasons to praise and thank the Lord: their son passed his exams with a very good score, he is recovering completely from his recent health issues, and God has delivered him from alcohol consumption and it was also their son Brother Davidu's birthday.

God gave us a wonderful opportunity to share His Word and rejoice with them. Please pray for this family and their spiritual growth.

One of our sisters from Ramanjaneyapuram has passed away from a heart stroke, and we have just finished her funeral services. Sadly, while one of her relatives was rushing home from work after hearing the news, they fell from their bike and suffered a head injury and baby in his hand had minor injuries.

Sister Sunitha is having a surgery tomorrow, Please keep Sister Sunitha in your prayers for her surgery and also Please pray for the family who just lost their mother

We have started some repairs in ICS building and in Makkenavaripalem congregation we started to build a washroom at the church building.

We had an opportunity to preach in Issappalem denominational congregation regarding the Thanksgiving prayers meeting of the Brother Rathna Kumar's 36th wedding day.

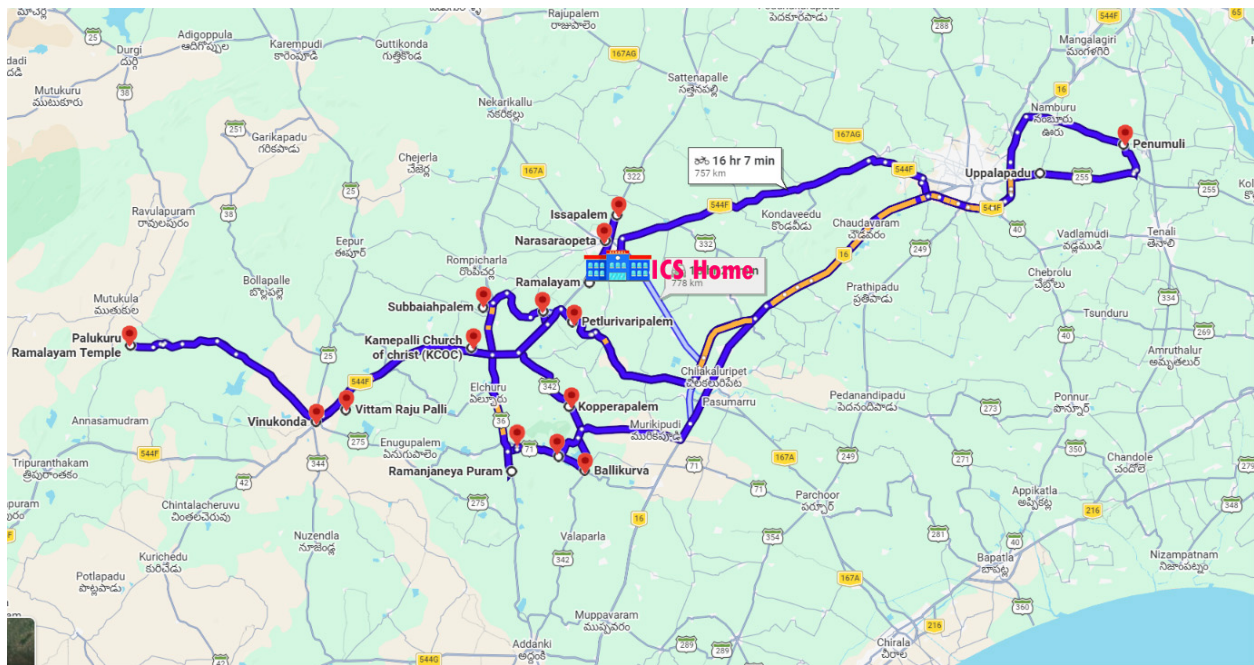

We shared a sermon that just as God has a divine pattern for the home, He has a divine pattern for His church. We encouraged the congregation to speak as the oracles of God (1 Peter 4:11) and to seek that church which is the pillar and ground of the truth (1 Timothy 3:15) the church named only for its leader, Jesus Christ. Please pray for this congregation and the family. Amen

Cyclone Damage Update

We have now secured funding by the grace of God and our generous supporters to replace the transformer poles and the repair the retaining wall. This will take time because of the local electric utility schedule, and the school and orphans will be without main power for several weeks during the construction. Plans are underway to provide small generators to power the lights and fans during that time. Thanks again for your generous support.

We travelled to different places to deliver the Gospel to known and unknown.

The current status of operations at ICS:

We have 232 kids attending in June as we starting the 2026-2027 year

Our total teaching and non-teaching staff are 27. 49 orphan poor kids are staying with us in the school. Classes are provided from kindergarten to 10th grade.

We have a total of 49 kids in the home sir, in these there are 13 girls aged from 9 to 14 and 36 boys aged from 10 years to 16 years. All these children are staying in the school where they are looked after by my family

We Praise God! Your generous and continued support has enabled us to make all of the much-needed repairs to the facility.

Other support and prayers needed for our local congregations:

1. Needed help to construct the Subbaiahpalem church of Christ building to replace the building that was confiscated by the local government.
2. We have started many small congregations in the nearby villages over the years that need your prayers and financial help if possible. These villages are very poor and there are many sick and aged people needing help to survive. Many are new Christians. Some have local preachers who need your prayers and support. Most worship outside under tents or in alleys because they have no secured place to meet.

PLEASE PRAY FOR THE CHALLENGES WE ARE FACING FROM THE LOCAL HIGH LEADERS WHO MADE LAWS. PRAY FOR THE CHANGE OF THEIR HEARTS AND OUR STRENGTH.

We appreciate and heartily welcome your prayers and financial assistance to continue the Lord's work with us in India. Any gift, no matter how small, would be a great blessing to us as we try to continue His Work to teach the poor children and orphans in India so they can read the Bible for

themselves and raise their families up from poverty and illiteracy.

I am thankful to the Elders of the Sunset church of Christ, Nashville, AR, who are serving as overseers of the work we are doing in India. All of our support from brethren in the US is currently overseen by them. We are also thankful to the Elders of the Hillsboro church of Christ in Nashville, TN for their recent decision to engage strongly in the future growth and success of this work. To God be the Glory!
