Dear Brothers and Sisters Please pray for our father-in-law, Bro. Nageswararao, suffered a brain stroke, his sister, Sister Gajamma, was hospitalized with a heart blockage requiring a stent. We stayed for few days in hospital and studied bible with the people around us in the hospital. After few days sister Gajamma's stent procedure was complete and successful. Please pray for complete restoration and strength for our family. While we were praying in at the bed few more patients who are in the hospital asked us to come and Pray for them.

We had a wonderful time today gathering for a thanksgiving prayer for Brother David's son, who has just turned 6 months old. The family wants to thank God, as his child began to eat solid foods and so he wanted to start the occasion with prayers and organised a prayer meeting. We have preached about our own spiritual milestones. Just as a child grows, God wants us to grow by following His commands. So many people are still in the queue, waiting to take that next step in their faith. Let us not stay waiting, let us move forward in what God has called us to do.

Our dear Brother Pedda Pitchaiah from the Makkenavaripalem congregation who was great support in the village has passed away due to sun stroke, while he went to the work some town continuous work in the sun and was complete dehydrated and gone to be with the Lord. We preached at his funeral service and shared words of comfort from the Bible with his family. Matthew 11:28 Come to me, all you who are weary and burdened, and I will give you rest. He is the resurrection and the life. Many people have attended the meeting. It was memorial service for the family members and also the warning to all that nothing on this earth is permanent one day we all need to face him.

We have great news to share today. Two brothers Ramuliah and Kongalaiah from our Subbaipalem Church of Christ have joined the family of God. Even though Satan tried his best to put many hurdles in their way, their faith was strong.

Today, they accepted Jesus as their Savior and took baptism to walk in His light. As they wanted to be a part in the Lord supper from Sunday. Please keep these two new souls in your daily prayers so they can stay strong in Christ.

Colossians 1:13 He hath delivered us from the power of darkness, and hath translated us into the Kingdom of His dear Son.

We are joyful to share that we recently organized Gospel meetings at our sister church in Ganeshpalem thanda. It was a wonderful time of fellowship where we came together to strengthen the faith and uplift the spirits of the local believers. Our goal was to support the spiritual growth of everyone in the area.

Please pray for this community remains united and grow in the word of God.

We have conducted a Thanksgiving Prayer Meeting in Ramanjaneyapuram congregation at the house of Brother Prasad for the growth God had provided to his children Mamatha and Nandini. As they transition into young womanhood, we are standing on the Word of God to provide a bright future over their lives.

We preached to kids to Grow in Wisdom, stay Spiritual, show Respect, and embrace Responsibility. And to the families attended to Train up the children in the way he should go Proverbs 22:6.

And you shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise up. you shall bind them for a sign on your hand, and they shall be as frontlets between your eyes.

There is so much more to share about how the Lord is working through us and your generous help. Please visit our new website to see the full report and learn more about all we are doing for the Glory of God.
