We have organized a Gospel meeting in the Velpuru village, Here previously one family supported us and got baptized. we have preached in meeting about why the church of Christ in this village.

A few are accepting the word of God and are currently studying the scriptures further. The local family who previously joined the faith provided support for us to gather in this village and also invited their neighbors.

We preached Christ is the Head and the Purchaser who bought the Church with His own blood Acts 20:28 and we guided them the Steps to the Door, explaining the biblical requirements for entry into the Body. Please pray for this congregation. Amen

We have given our last respects to Brother Chowdary Paul, a faithful follower of our Lord Jesus Christ.

He is one of our uncles fathers-in-law who leads many in to Christ. Though we feel the pain of loss, we rejoice knowing he is now with Jesus, resting in peace and glory. As he teaches many to stay strong in faith and walk with Christ until the end. Our Church family and all the relatives joined the funeral in Vuyyuru village.

After completing the funeral was in Vuyyuru. Later we went to Machilipatnam to visit Brother Madhu, who is one of our family members and was baptized by my father. While we were there, he suddenly fell sick and we took him to the hospital. Doctors said that the wall from his previous bypass surgery has started closing, and now another surgery with a stent is needed.

We believe in the Lord's promise, The Lord sustains them on their sickbed and restores them from their bed of illness Psalm 41:3.

Please keep Brother Madhu in your prayers, asking God to strengthen him and grant complete healing in Jesus name Amen

Many are still not knowing so we started street teachings and visiting all the houses and teaching the word of God and invited them for hearing the truth to protect their souls. After the street prayers we have conducted a Gospel meeting near Ganeshpalem, a few people have attended the meeting.

We have preached regarding Lent days, when Jesus supposedly fasted and that do we need to follow Lent days. We have reminded that our focus remains on speaking where the Bible speaks. Lent is a tradition and not a command by the God.

A few people accepted and some are still thinking we need celebrations so that God will be pleased, they say all the religions have festivals so we also celebrate festival Easter and Christmas.

Please pray for this community to seek the truth. We are planning to go few more time to study bible with these people. Amen

We held a thanksgiving prayer meeting at our aunt's house in Addanki. A few days ago, my uncle survived a major accident and has now recovered from head injury.

His family wanted to arrange this meeting to give thanks for his healing.

We also celebrated God's favor as their eldest daughter secured a job and the younger daughter received a scholarship for her higher studies.

We had the privilege of sharing a message on how God provides for and protects his children Psalms 103:2-5. Please continue to pray for this family. Amen.

We have joined in bible study at Ganeshpalemthanda and preached the importance of Overcoming Trials.

James 1:12 Blessed is the man that endureth temptation; for when he is tried, he shall receive the crown of life which the Lord hath promised to those who love Him.

After the teachings we prayed for the people in the gathering. Please pray for this small congregation which is very far away from the town and is situated in between the mountains.  
Amen

We have conducted preachers gathering presently at our home. We have preached and discussed about these topics in the meeting.

1. Bible, Old New Testaments and how the word of God reached us.
2. The introduction to Book of Acts.
3. How the preacher should be. Strengthening the community, reaching neighboring areas and overlooked groups. Please pray for the preachers and their congregations. Amen

We have started our journey to share the Word of God in far-off and remote areas. Just as the disciples went to the ends of the earth, we have stepped out into the wilderness to reach those who are living in spiritual darkness.

Our work began with Street Evangelism, talking to people in public places and door to door preaching the word in Nallamala forest tribal people. These people mostly Shepards the rely on forest and crops they can get and live their livelihood.

My father Bontha Esudas and team wanted take the Gospel to the unreached areas, villages and hills where the Gospel has not yet arrived. And started these works through attending meetings and getting people and reaching out these areas.

Now God blessed us to encourage these people with the help of all your prayer. We are going in groups to these hill areas occasionally. Our team members who are nearby area reaching out on Wednesdays. Please Pray to establish congregations in these areas and also send preachers to these areas Please pray for these people for their spiritual growth. Amen

We have conducted a Gospel meeting near Yellareddypalem Thanda and neighboring villages with the help of our preachers. We have got chance to preach the word of God in this denominational congregation. Please pray to make them learn the truth here and neighboring villages. Amen

Recently I was hospitalised due to malaria and typhoid fever, Though I have been walking through a season of infirmity, battling both typhoid and malaria the Lord has been my strength. It is through your faithful prayers that I have found the endurance to continue my work and I have been started meeting the congregations and reaching families.

We are very happy to share a good news, God has blessed our family with a baby girl. By His great grace, my wife Swathi had a normal delivery this time, even though the first one was a C-section. Both mother and baby are doing well and are healthy. We thank you all for your continuous prayers. Amen

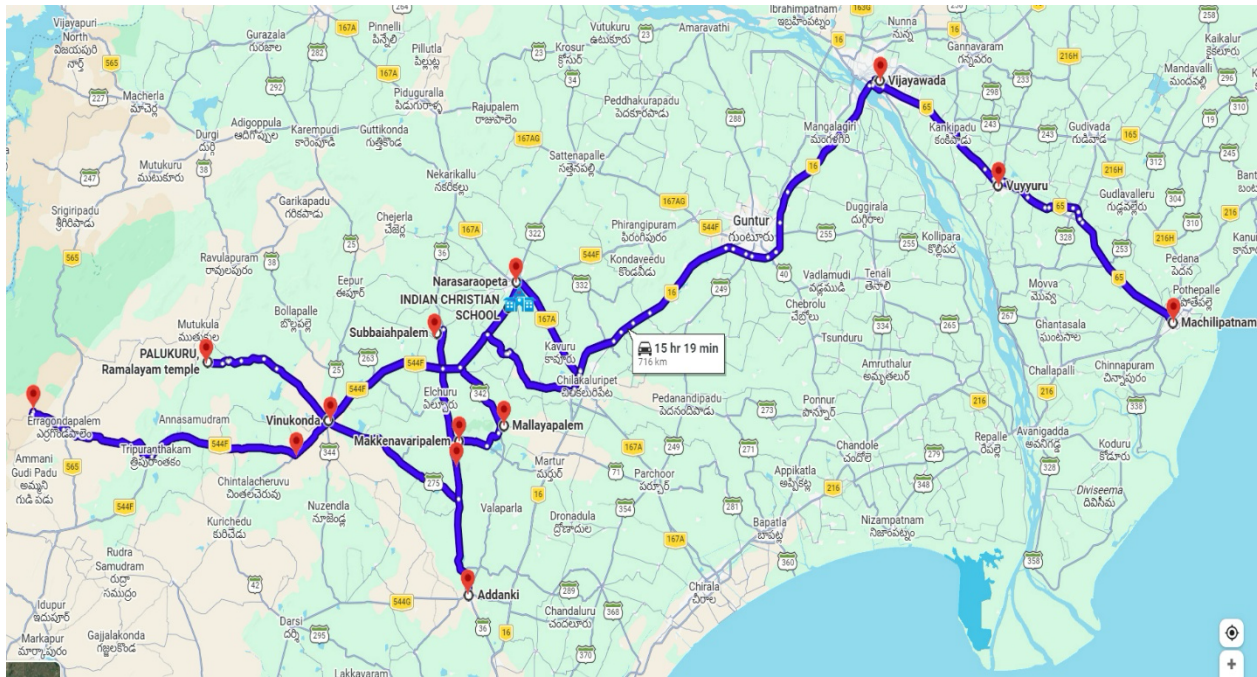

In many area houses are flooded and few are collapsed in our area, One of Indian Christian School Compound wall which is having 12 feet high got cracks on the walls, it is slowly leaning and got cracks on the ground in few days it may collapse, at that place the transformer and electricity poles are also bent and need to replace the front wall before it has collapsed, Please pray for the wall to rebuild. Amen

**Due to Cyclone Compound-Wall, Transformer pole and Electricity poles are leaned due to Strong winds.**

## We travelled to different places to deliver the Gospel to known and unknown.

50 orphan poor kids are staying with us in the school.

Classes are provided from kindergarten to 10th grade.

2) We have a total of 50 kids in the home sir, in these there are 15 girls aged from 9 to 14 and 35 boys aged from 10 years to 15 years.

All these children are staying in the school where they are looked after by my family

### Prayer Request and Requesting help for the following needs for 2026-2027 year

1. While we have been able to start this year's session due to the generosity of our brethren, we will need significant additional funds to continue operating the school at this level. We are currently collecting about \$1400 per month in tuition fees from the parents of our students, but our costs for running the school are roughly \$10,000 per month.
2. Need to restart two more buses and take the fitness certifications and do the needed repairs for the buses which will cost around \$17,300.
3. Needed help to construct the Subbaiahpalem church of Christ building to replace the building that was confiscated by the local government.
4. We have started many small congregations in the nearby villages over the years that need your prayers and financial help if possible. These villages are very poor and there are many sick and aged people needing help to survive. Many are new Christians. Some have local preachers who need your prayers and support. Most worship outside under tents or in alleys because they have no secured place to meet.
5. We need to make some repairs on Indian Christian School building. We have

successfully repaired the roof and drainage issues after last year's cyclone, but we still need to repair part of the compound wall and front compound at the place of transformer that collapsed in that storm. The roof drainage needs attention and the compound wall that collapsed during the cyclone need to be rebuilt. Classroom walls needed to repaint, Classrooms original carpet is worn out needs to be replaced. When possible, we also need to repair the air condition units damaged by the vandalism last year when the wires and copper tubing was stolen. Please help if you can.

PLEASE PRAY FOR THE CHALLENGES WE ARE FACING FROM THE LOCAL HIGH LEADERS WHO MADE LAWS. PRAY FOR THE CHANGE OF THEIR HEARTS AND OUR STRENGTH.

We appreciate and heartily welcome your prayers and financial assistance to continue the Lord's work with us in India. Any gift, no matter how small, would be a great blessing to us as we try to continue His Work to teach the poor children and orphans in India so they can read the Bible for themselves and raise their families up from poverty and illiteracy.

I am thankful to the Elders of the Sunset church of Christ, Nashville, AR, who are serving as overseers of the work we are doing in India. All of our support from brethren in the US is overseen by them.

Mark the check payable to India Mission School Expenses.
