Dear Brothers and Sister Please pray for our father-in-law, Bro. Nageswararao, suffered a brain stroke, his sister, Sister Gajamma, was hospitalized with a heart blockage requiring a stent.

We took them to the hospital and prayed for them. His hand was completely paralysed and unable to lift the hand, after few days of treatment God provided him strength and recovery through the surgeons.

We stayed for few day in hospital and studied bible with the people around us in the hospital.

After few days sister Gajamma's stent procedure was complete and successful. Please pray for complete restoration and strength for our family.

While we were praying in at the bed few more patients who are in the hospital asked us to come and Pray for them.

We went to the hospital to visit our aunt, Sister Gangamma. She had suffered a heart stroke and the doctors had placed a stent to help her. While we were there, we did not just talk about her health; we opened the Bible to find strength in God's promises.

As we studied the Word and talked about God's goodness, something amazing happened. The people around us were listening. They saw the peace we had, and they felt the presence of the Lord.

Where people sought out the apostles for prayer, the other families in the hospital began to approach us to come and pray for our loved ones too.

We realized then that God had sent us there for more than just our aunt. He used us to be salt and light Matthew 5:13-14 in a place of sadness. We went from bed to bed, praying for the sick and asking the Lord to bring healing and comfort to every family we met.

We had a wonderful time today gathering for a thanksgiving prayer for Brother David's son, who has just turned 6 months old. It is such a joy to see him reach the milestone of starting solid foods. recently the boy got allergy and we took him to the hospital by Gods grace he was cured in short time.

Bro Davids family wants to thank God, as his child began to eat solid foods and so he wanted to start the occasion with prayers and organised a prayer meeting.

We have preached about our own spiritual milestones. Just as a child grows, God wants us to grow by following His commands. So many people are still in the queue, waiting to take that next step in their faith. Let us not stay waiting, let us move forward in what God has called us to do.

We thank God for this precious life and for the strength He gives us to grow in Him every day.

Our dear Brother Pedda Pitchaiah from the Makkenavaripalem congregation who was great support in the village has passed away due to some stroke, while he went to the work some town continuous work in the son and was complete dehydrate and gone to be with the Lord.

We have completed his funeral service and shared words of comfort from the Bible with his family.

We preached from Matthew 11:28 Come to me, all you who are weary and burdened, and I will give you rest.

He is the resurrection and the life. Many people have attended the meeting. It is memorial service for the family members and also the warning to all that nothing on this earth is permanent one day we all need to face him.

We have participated in family prayers at the house of samrajyam & jayamma in Palukuru congregation. Please pray for these families who have attended the prayer meeting. Amen

We have great news to share today. Two brothers Ramuliah and Kongalaiah from our Subbaipalem Church of Christ have joined the family of God. Even though Satan tried his best to put many hurdles in their way, their faith was strong.

Today, they accepted Jesus as their Savior and took baptism to walk in His light. As they wanted to be a part in the Lord supper from sunday. Please keep these two new souls in your daily prayers so they can stay strong in Christ.

Colossians 1:13 He hath delivered us from the power of darkness, and hath translated us into the Kingdom of His dear Son.

We have conducted a Thanksgiving Prayer Meeting in Ramanjaneyapuram congregation at the house of Brother Prasad for the growth God had provided to his children Mamatha and Nandini. As they transition into young womanhood, we are standing on the Word of God to provide a bright future over their lives.

We preached to kids to Grow in Wisdom, stay Spiritual, show Respect, and embrace Responsibility. And to the families attended to Train up the children in the way he should go Proverbs 22:6.

And you shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise up. you shall bind them for a sign on your hand, and they shall be as frontlets between your eyes.

We have joined in a Preachers gathering recently in the nearby congregation. Brother Vivek and Suresh from Truth for Today visit our nearby congregation to share a powerful word of encouragement.

We have prayed, taking time to gather to strengthen one another's heart to walk in the light of the Lord. Please pray for all the preachers and the congregation members who have attended the meeting. Amen

Today we have conducted a preachers gathering at our residence in Narasaraopet. It was a powerful time of fellowship where we had the privilege to preach the Word to everyone who joined us. There were dinominational preachers too.

We specifically focused on the topics of human traditions & how they are misleading the Church, The history of how the Bible was first introduced to us, and a serious warning regarding the Mark of the Beast.

After the sermons, all the preachers joined together in discussing different topics to take the work to the unknown areas.. Our home was filled with the presence of the Holy Spirit, and we give all the glory to God for this wonderful time of spiritual strengthening.

One of our brother's family has been blessed with a baby girl, and we have visited them to seek the Lord's face on her behalf. The child is currently suffering from a weakness in her lungs. We ask for your earnest prayers, trusting that He who gave her life will also provide for her healing. Amen

We had the wonderful opportunity to share a word and pray at the birthday celebration for our friend Lazarus's daughter. It was a beautiful evening of prayer, thanking God for the gift of another year in her life.

Students from ICS recently participated in various cultural events and inter-school competitions. We are proud to announce that several students from Indian Christian School have earned prizes in both the Science and National Song categories.

In many area houses are flooded and few are collapsed in our area, One of Indian Christian School Compound wall which is having 12 feet high got cracks on the walls, it is slowly leaning and got cracks on the ground in few days it may collapse, at that place the transformer and electricity poles are also bent and need to replace the front wall before it has collapsed, Please pray for the wall to rebuild. Amen

and Electricity poles are leaned due to Strong winds.

We travelled to different places to deliver the Gospel to known and unknown.

The current status of operations at ICS:

1) We have 265 kids attending in June as we starting the 2025-2026 year
Our total teaching and non-teaching staff are 26.
50 orphan poor kids are staying with us in the school.
Classes are provided from kindergarten to 10th grade.

2) We have a total of 50 kids in the home sir, in these there are 15 girls aged from 9 to 14 and 35 boys aged from 10 years to 15 years.
All these children are staying in the school where they are looked after by my family

Prayer Request and Requesting help for the following needs for 2026-2027 year

1. While we have been able to start this year's session due to the generosity of our brethren, we will need significant additional funds to continue operating the school at this level. We are currently collecting about \$1400 per month in tuition fees from the parents of our students, but our costs for running the school are roughly \$10,000 per month.
2. Need to restart two more buses and take the fitness certifications and do the needed repairs for the buses which will cost around \$17,300.
3. Needed help to construct the Subbaiahpalem church of Christ building to replace the building that was confiscated by the local government.
4. We have started many small congregations in the nearby villages over the years that need your prayers and financial help if possible. These villages are very poor and there

are many sick and aged people needing help to survive. Many are new Christians. Some have local preachers who need your prayers and support. Most worship outside under tents or in alleys because they have no secured place to meet.

5. We need to make some repairs on Indian Christian School building. We have successfully repaired the roof and drainage issues after last year's cyclone, but we still need to repair part of the compound wall and front compound at the place of transformer that collapsed in that storm. The roof drainage needs attention and the compound wall that collapsed during the cyclone need to be rebuilt. When possible, we also need to repair the air condition units damaged by the vandalism last year when the wires and copper tubing was stolen. Please help if you can.

PLEASE PRAY FOR THE CHALLENGES WE ARE FACING FROM THE LOCAL HIGH LEADERS WHO MADE LAWS. PRAY FOR THE CHANGE OF THEIR HEARTS AND OUR STRENGTH.

We appreciate and heartily welcome your prayers and financial assistance to continue the Lord's work with us in India. Any gift, no matter how small, would be a great blessing to us as we try to continue His Work to teach the poor children and orphans in India so they can read the Bible for themselves and raise their families up from poverty and illiteracy.

I am thankful to the Elders of the Sunset church of Christ, Nashville, AR, who are serving as overseers of the work we are doing in India. All of our support from brethren in the US is overseen by them.
